PROJECT DAY

The Project Day at SAN Academy, Kamakoti Nagar, held on the 20th and 21st of December 2024, was a remarkable showcase of creativity and intellect by Grades 9 and 11 students. Focused on the theme of Sustainable Agriculture, the event highlighted critical topics like Pest Management and Soil Management, reflecting innovative approaches to modern agricultural challenges.

We were honoured to have Ms. Mounika Mallela, Research Scholar, Department of Ocean Technology, IIT Madras, as the chief guest. Her presence and inspiring words set the tone for the event, encouraging students to think critically and innovatively about sustainable practices.

The exhibition featured two separate centrepiece models, each in a different room. The first demonstrated global crop rotation practices, emphasizing its role in preserving soil health and enhancing productivity. The second showcased integrated pest control methods, promoting environmentally friendly ways to manage pests sustainably. These captivating models became the focal points of the event, drawing immense appreciation from visitors.

PROJECT DAY

The display included a range of charts, themed wall and door decorations, and informative posters that added visual depth to the event. These elements provided an immersive learning experience, focusing on sustainable farming practices like organic agriculture, water conservation, and biodiversity protection.

In conclusion, the Project Day on Sustainable Agriculture was an impactful initiative, successfully raising awareness and fostering environmental consciousness among students and visitors alike. The engaging exhibits and interactive activities reflected the academy's commitment to nurturing responsible global citizens.

PROJECT DAY

CHRISTMAS CELEBRATION

Christmas is an annual festival commemorating the birth of Jesus Christ, observed primarily on December 25 as a religious and cultural celebration among billions of people around the world.

Students of middle school visited Primary classes and had a heartfelt Christmas song and engaged with the students by emphasizing on the theme of sharing is caring. Primary students enjoyed the song and Santa 's arrival.

CHRISTMAS CELEBRATION

CLASS 3 - 5

CAREER FAIR

SAN Academy, Kamakoti Nagar, hosted the much-anticipated Global Career Fair 2024 on 16th December 2024, providing a platform for 230 students from Grades 10, 11, and 12 to explore diverse academic and career opportunities. The event witnessed participation from 32 prestigious universities across the globe, each presenting a detailed overview of the courses available and the unique programs offered by their institutions.

The ceremony commenced with the auspicious Tamil Thai Vazhthu, performed by five students from Grade 9 and 11, followed by a soulful prayer song rendered by Aninditha S, Karthik Sivakumar, Patricia Fortune, Pragati B P, and Sarvani Deekshitula Y L S of Grade 10. The lighting of the lamp ceremony, signifying enlightenment and wisdom, was conducted by the chief guest, Mr. Gulshan Memoria, CEO of Inspired Valley.

Ms. Sangeetha, the Vice Principal, delivered the welcome address, setting the tone for the day. The stage then came alive with a vibrant welcome dance performed by Grade 10 students, who left the audience spellbound with their synchronized movements and energy. Ms. Sharon introduced the various university stalls and their offerings, which became the focal point of exploration for the students

CAREER FAIR

The chief guest, Mr. Gulshan Memoria, was honoured for his presence and contribution. In his keynote address, he inspired the students with his journey and insights, urging them to dream big and work towards their aspirations with dedication and perseverance. The students enthusiastically engaged with representatives from various universities, gaining valuable knowledge about diverse career paths and the prerequisites for achieving their goals.

The event was meticulously supported by tech support teams and student volunteers from Grades 9 and 11, who ensured the smooth functioning of the fair. Visitors were warmly welcomed at the reception managed by Ms. Aleema Bibi, whose impeccable organizational skills added a touch of professionalism to the event.

As the day progressed, the valedictory agenda took centre stage. The program began with a lively music concert by Karthik Sivakumar of Grade 10, whose performance was met with resounding applause. Ms. Safeena Azeez, the Principal, addressed the gathering, emphasizing the importance of utilizing such platforms to broaden one's horizons.

Ms. Meenakshi, the Senior Mentor, shared her thoughts on aligning career aspirations with one's strengths.

CAREER FAIR

To conclude the event, three students from Grade 11 namely Shresta of Grade XI A, Yasovardhan Ram of Grade XI B, and Hanishka of Grade XI C delivered heartfelt feedback. They expressed their gratitude and shared reflections on the enriching experience, eloquently highlighting the initiative's significance in shaping their academic and professional goals.

Mr. Mohammad Yusuf delivered the vote of thanks, appreciating the efforts of all participants, organizers, and the chief guest. The program concluded with the National Anthem, a fitting end to a day dedicated to empowering young minds.

The Global Career Fair 2024 at SAN Academy will be remembered as a landmark event, inspiring students to explore new opportunities and equipping them to make informed decisions about their future.

CAREER FAIR

The background is a light blue gradient with various school-related items scattered around. At the top left is an open notebook with a red bookmark. To its right is a pencil. In the top right corner, there's a red book and a calculator. On the right side, there are purple scissors. At the bottom left, there's a paintbrush and a pencil. At the bottom center, there's a clock showing approximately 1:50. At the bottom right, there's a green container and a pink splash. The text 'NO DAY CLASS 6 TO 8' is centered in large, bold, yellow letters with a blue outline.

NO

DAY

CLASS 6 TO 8

No Bag Day

On no bag days students learn creative problem-solving skills to manage daily needs.

On this no bag day we had three sessions. Robotics, Zumba and Healthy food habits.

First session - Robotics.

Learning Robotics makes students to excel in programming languages, electronics, and mechanical design. It helps the students to have stronger grasp of science, technology, engineering, and mathematics concepts through practical application.

Second session - Healthy food habits (Ancient food)

This session creates an insight into the health benefits of traditional diets and the use of local ingredients.

No Bag Day

Students can learn about development of practical cooking techniques and methods . Students can Understand the relationship between traditional food practices and sustainable agriculture.

Third session -Zumba dance

It enhances the students to reduce stress and anxiety through engaging in fun, high-energy movement and Students can also learn about development of social connections and teamwork through group participation and interaction.Students got awareness of body movement, posture, and alignment during dance.

Students thoroughly enjoyed the session. They learnt a lot by doing activities.
