FIRST DAY TAKE HOME

25.03.24

The Junior KG children were warmly welcomed by their respective class teachers, co-teachers, and ayahs. The teachers thoughtfully arranged various toys based on the centers. While most of the children entered the campus with enthusiasm and greeted the teachers happily, a few took some time to settle down. Undeterred, the teachers encouraged all the children to engage in a craft activity, making a 'bag'. Through this creative process, the children had a lot of fun, fostering their imagination and creativity.

Skill Development

Squeeze the soft ball and walk or jump on track

26.03.24

Skill development encompasses the process of acquiring, improving, and enhancing a wide range of skills. This plays an important role in kindergarten education as it molds both fine and gross motor skills. Activities such as squeezing a ball help improve strength in the hand and forearm muscles, grip, and circulation. Additionally, it aids in maintaining calmness and focus, making children more attentive in the classroom. Similarly, engaging in walking activities on the track helps children learn to listen and follow instructional language, concentrate, and balance their bodies.

The image features a central white rectangular box with rounded corners and a thin black border. Inside the box, the words "Thank You!" are written in a dark brown, elegant cursive font. The box is surrounded by a decorative wreath of autumn-themed elements, including maple leaves in shades of orange, red, and yellow, and clusters of small red berries on green stems. The background is a gradient of green, transitioning from a lighter shade on the left to a darker shade on the right. In the bottom left corner, there is a faint, stylized illustration of a green vine with leaves and circular patterns.

*Thank
You!*
