## SR. KG 07.08.2024

Field trips provide students with enriching experiences that enhance their learning beyond the confines of a classroom. The recent trip by San Academy's Sr. Kg students to Egmore Museum, themed around "around the world in 30 days," exemplifies this benefit.

At the museum, the children engaged with extensive collections related to anthropology, zoology, and natural history, immersing themselves in the diverse cultures represented by various costumes. Such hands-on experiences significantly boost knowledge retention, foster tolerance and empathy, and encourage creative thinking—essential for personal and academic growth. Moreover, these outings serve as motivational resources, especially for students facing academic challenges, ultimately leading to improved academic performance.

### GARDENS CONSTRUCTION OF THE SAME DESCRIPTION OF THE SA

The field trip to Plant Nursery Indira Gardens on August 9, 2024, provided the Jr.Kg children with an enriching experience that encouraged practical knowledge and sensory stimulation. ### SAN ACADEMY PALLIKARANAI

S an Academy Pallikaranai marked India's 78th Independence Day with such enthusiasm and dedication. The inclusion of heartfelt prayers. cultural performances, and a special assembly promoting national unity and integrity is a great way to instill patriotism and responsibility in young minds. Honouring the sacrifices of freedom fighters and inspiring students to be active citizens is crucial for shaping the country's future. I'm sure the event was a memorable experience for everyone involved!

Times of India has highlighted our Independence Day celebration, which we celebrated on August 15th.
