# **NO TO PLASTIC CARNIVAL**

**1.3.2024**

Plastic, one of the most preferred materials in today's industrial world, is posing a serious threat to the environment and consumer's health in many direct and indirect ways. Exposure to harmful chemicals during manufacturing, leaching in the stored food items while using plastic packages, or chewing of plastic teethingers are linked with severe adverse health outcomes. The effects of plastic pollution on the environment include threats to wildlife and damage to ecosystems.

As an initiative towards a plastic-free world, the kindergarten saplings of San Academy proudly hosted the No to Plastic Carnival.

Reinforcing the 5R's principle, the children of Nursery, Jr.kg and Sr.kg enthusiastically presented their intricately handcrafted products made from plastic waste for sale. They were amused to handle their counters by receiving tokens and selling their products. The parents of our tiny tots graciously took the role of customers and delightedly bought the products.

It gave us immense pleasure to encourage the students from other schools who took part in various competitive events like Little Fashionista, Stage Rocks stars, La La rhymes, Voice actors & Poster talks. They decorated the stage with their delightful performances.

The kindergarten students of SAN Academy embraced the occasion through their awe-inspiring performances.

The welcome dance presented in a graceful classical way was a blissful inauguration to the event. The slogan, story and rhymes recited by our students, representing the harmful effects of plastic and our responsibility towards it was the need of the hour. A detailed speech and demonstration on the 5R's concept was conceived well by the audience. Our little buds dressed up in interesting attires made out of plastic waste and old newspapers fortified the strong message of **NO TO PLASTIC** through their mesmerizing fashion walk.

The program ended with a cheerful speech by our beloved Principal **Ms. Hemalatha Sooryanarayanan** followed by prize distribution.

# GO GREEN SAY NO TO PLASTIC

# ORIENTATION PROGRAM

## 2.3.2024

**San Academy Pallikaranai proudly hosted the orientation program for the academic year 2024-25. The new parents of class I- V received a comprehensive understanding of the school's policies, procedures and curriculum. San Academy Pallikaranai, Principal,**

**Ms. Hemalatha Sooryanarayanan explained in detail the daily routines, curriculum, co-curricular activities, after-school activities, work shops and transport. Parents received a clear picture of how the school functions, its mission, motto and it's vision. Parents were quite enthralled to know about the latest happenings in San Academy Pallikaranai. They were ecstatic about the previous year's board results. The session ended with a doubt clearing session, where the queries of the parents were addressed by the Principal, HM and the respective wing coordinators.**

**Before leaving parents were guided to have their lunch in the second floor class rooms.**

# CIVIL DEFENCE DAY

## 1.3.2024

The students of X C hosted the assembly on 1st March 2024 on the topic ' World Civil Defence Day ', a day dedicated to recognizing the importance of civil defence in safeguarding our communities and promoting resilience in the face of challenges. A speech was given on the theme for this year's World Civil Defence Day is "Strengthening Resilience Together," emphasizing the significance of collective action in enhancing our preparedness, response, and recovery efforts.

Students also gave an insight on the steps to be taken to raise an awareness on Civil Defence like campaigns, workshops, public events and school programs.

# THOUGHT FOR THE DAY - CLIMATE

5.3.2024

Assembly began with Tamil Thai Vaazhthu and was followed by School song. A student gave a speech on the impact of climate change and environmental conservation. Students sang a song on 'Honesty' and also gave a beautiful dance performance on the same topic.

Students dressed up as our famous personalities and narrated their quotes.

Our Coordinator Ma'am addressed the gathering also prize distribution happened for Intra competition, star of the month and IMO winners.

Assembly ended with the National Anthem.

# SR.KG GRADUATION DAY

9.3.2024

Kindergarten graduation is a momentous occasion, marking the end of a remarkable journey for both students and teachers. It holds immense significance as it serves as a bridge between the students' early educational experience and the exciting journey that lies ahead. It is an opportunity to reflect on the student's growth, acknowledge their accomplishments, express gratitude to parents and guardians, and inspire them for the future.

**Sr.kg** kids were excited to celebrate graduation day. Wearing the coats, and walking along with the certificates itself is a great pride. Kids also exhibited their talent by singing songs, dancing, speech and playing instruments. **Jr.kg** kids gave an emotional farewell to Kids. First-grade teachers gave a warm welcome to Sr.kg kids.

Kids also received appreciation certificates for their achievements in academics. The guests shared inspiring thoughts and encouraging words with the students as well as the audience.

At the end of the ceremony, students walked down lined while cheered up by friends, gave high-fives & congratulated the incoming underclass.

# WOMEN'S DAY

12.3.2024

On March 8th, Class 10D conducted a vibrant assembly in celebration of International Women's Day.

Commencing with the school song and patriotic pledges, the assembly emphasized the importance of gender balance.

A Thirukural and its meaning were shared, along with a thought for the day.

Current affairs were updated through the latest news headlines, and a compelling speech highlighted that gender balance is not solely a women's issue but also an economic imperative.

Students showcased the significant role of women in the education industry, recognizing their contributions.

HAPPY  
Women's  
Day

- The assembly concluded with a noteworthy prize distribution for various events, promoting inclusivity and acknowledging achievements.
- The day's proceedings closed with the rendition of the national anthem, fostering a sense of unity and pride.
- Overall, Class 10D's assembly was an insightful and inspiring tribute to the essence of Women's Day

# 15.3.2024

Students of class -XII-A hosted the assembly on 15th March 2024. The day was kick started with Tamil Thai VZhthu followed by pledge and thought for the day. The news was delivered stating the headlines of the day in various aspects covering educational to sports. Next was a speech on "World Consumer Rights Day" followed by interesting facts and laws. In addition Ms. Padmavathi mam delivered an inspirational speech followed by our coordinator Ms. Remya mam speech of wisdom and the assembly concluded with National Anthem.

# STAFF CULTURALS'24

## 16.3.2024

At San Academy, we believe in nurturing not just the minds of our students but also fostering a supportive and caring environment for our staff members. Recognizing the importance of staff welfare in maintaining a positive work atmosphere and enhancing productivity, we have implemented a comprehensive staff welfare program.

In line with this ethos, we organized a vibrant cultural program exclusively for our teachers on 16.3.24, where they not only showcased their talents but also came together to appreciate and enjoy each other's performances.

The cultural program featured a wide array of performances, including singing, dancing and poetry recitation.

By providing a platform for creative expression and fostering a sense of community spirit, the event contributed to a more inclusive, supportive, and vibrant school culture. We look forward to organizing similar initiatives in the future to continue nurturing the talents and connections within our staff community.

# SAVE WATER DAY

## 22.3.2024

Students of class XII-B hosted the assembly on 22nd March 2024. The day was kick started with Tamil Thaivazhthu followed by school song, pledge, Exam pledge, Thirukkural and Thought for the day. The news was delivered stating the head lines of the day in various aspects covering international to weather report.

Next was a speech on "World water day" (Achievement of sustainable Development goal that is clean water, hygiene sanitation for all by 2030) followed by Role play on impacts of water scarcity and how water Aid works with communities to improve access to clean.

In addition our sr.secondary teacher MS.Mohanapriya delivered a motivational talk and followed by iur Sr.secondary coordinator MS.Ramya Balaji delivered a speech about words of wisdom and the assembly concluded with National Anthem.

# WELCOME

ASSEMBLY 25.3.2024

Today's assembly was a special assembly to welcome the students of Grades 6 to 8 organized by the mid-school teachers.

The Assembly started with Tamil Thai Vazhthu by Tamil department teachers followed by school Song.

Mid-wing coordinator **Ms. Deepa Sanjeev** delivered a motivational and welcome speech for the students.

Tamil Teacher **Ms. Anitha** recited a Tamil thirukural with meanings related to the importance of Education.

Hindi Department Teachers presented a Doha related to the importance of Time.

Thought for the day was shared by SST department Teachers.

- Tips for Stress Management was beautifully presented by Science Teachers with an activity for Students.
- Tips for Time management were presented by Math Teachers with 2 Row Matrix as an Example.
- Pledge was taken by students based on Disciplined behaviour rendered by SST Teachers.

The Principal addressed the gathering with her inspiring words,

- Vote of thanks was presented by English teacher **Ms. Vidya**

Overall the Assembly was exciting and interesting.

The assembly concluded by singing the National Anthem.

# ADOLESCENT PEER EDUCATORS LEADERSHIP PROGRAMME IN LIFE SKILLS, HOLISTIC HEALTH AND WELLBEING

25.3.2024

A special peer education session was held on 25.03.2024 in San Academy, Pallikaranai, Basketball Court between 9:30 and 10:30 a.m. for class IX students. Our school peer educators conducted a very informative and thoughtful session on cyber safety and security.

The session was started with an introductory note and a role play by a team of peer educators. It was a fun-learning process where the students and the peer educators to exchange their views and ideas. The peer educators created an awareness on cyber safety and security and the measures to reduce the usage of social media and its influence, strategies to cut down the dependency of the gadgets and their fruitful usages. It was a great platform where peer educators organized a human chain to create an awareness on cyber safety making the students to take an oath on being safe online and to use the network in an appropriate way.

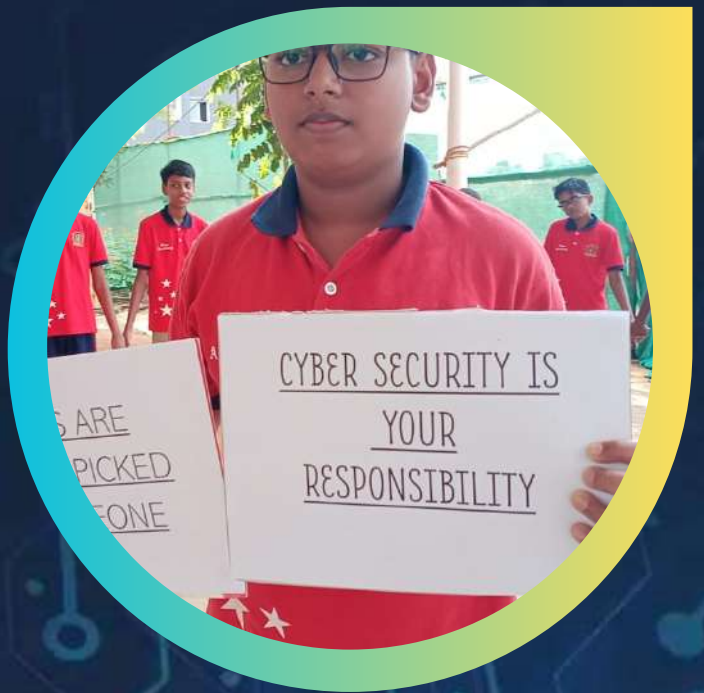

# **AWARENESS ON CYBER SECURITY**

**26.3.2024**

**The Grade IX students of San Academy Pallikaranai kick started the new academic year 2024-25 with great zeal of enthusiasm and excitement. A special assembly was conducted by the teachers, who cordially extended their warm welcome to the students . As a part of peer education program, awareness about cyber safety was given by the students of Grade X & XII . The students took a pledge to avoid mobile usage and show-cased the innovative human- chain formation emphasizing the need of cyber security.**

**In the segment - "Introduction of Maestro's" , the teachers and the secondary wing co-ordinator introduced themselves and gave a motivational talk to inspire the students. The assembly ended with vote of thanks followed by National Anthem.**

# TIME MANAGEMENT

## 26.3.2024

Class 2A presented a special assembly on 26.03.24 .

Assembly began with tamil Thai vaazhthu followed by school song.

Programs were presented by teachers. Programs included were thirukural and it's explanation, thought for the day, magical words in Hindi language, story recitation on the theme '**Time management**' and welcome dance. State level gymnastic champion LEAH R of class 2A gave a special gymnastic performance. Academic coordinator Akila ma'am addressed the gathering and finally assembly ended with National Anthem.

# WELCOME ASSEMBLY

## 28.3.2024

The assembly commenced with the Thamizh Thai vazhthu. To start with Thirukkural was recited by Ms. Vasuki. Thought for the day was given by Ms. Kalpana, News was read by Ms. Malarvizhi, followed by Speech on “Overcoming failures and Rejections” by Ms. Anantheeswari. A short story on ‘Positive thinking’ was given by Ms. Jeethalakshmi. The teachers of class 3 to 5 briefed the students of day to day activities in the school. The value ‘wish A teacher’ was instilled by Ms. Priyadharshini. Healthy habits were reinforced by Ms. Arunothayam and Ms. Selvi. How to complete the “work on time” was explained by Ms. Mutharam. Eating etiquettes were demonstrated by Ms. Gayathri.D and Ms. Rosemary. Good habits were described by Ms. Harini and Healthy habits by Ms. Shabhana. The assembly ended with prize distribution for few students for their achievements in different fields and National anthem.

# APRIL FOOLS' DAY APRIL 1

The school assembly held on 1.4.24 was organized by the students of class 8A on account of April Fools Day.

The assembly was a vibrant amalgamation with facts about April Fool's day, motivating thoughts, and a fun filled session where children shared their April Fool's day experience. Children presented the day's news also.

A thought about the Prevention of Blindness week followed in the first week of April (April 1-7) was delivered to the students, and an awareness was created about that topic.

# CHILDREN'S BOOK DAY

## 2.4.2024

On 2nd April 2024, we celebrated International Children's Book Day! Class II B presented a special Assembly on the topic of International Children's Book Day. Books are magical things. They can take us on adventures, teach us new things, and even make us feel happy or sad. But did you know that reading can also change our lives for the better? The Assembly began with Tamil Thai Vaazhthu followed by a school prayer song. Students delivered a speech on the topic of 10 life-changing habits we can develop by reading books and a short review of their favorite story books. Ms. Uma Maheshwari R, Primary Mathematics teacher received an appreciation certificate for being in charge to conduct the **IMO EXAM FOR CLASS I and II**. The Assembly concluded with the National Anthem.

# CLUB ACTIVITY

## 3.4.2024

The literary club activity was conducted for the students of class 1 and 2. For class 1, students were taught few proverbs and their meanings. They wrote the proverb in chart papers and decorated them. Class 2 students were engaged in an interesting word association game. The teacher started off with a random word and the children had a fun time in trailing with new words associated with the first word. The game made the children to think and hunt for new vocabulary. On the whole the literary club induced a great literature quest in the students.

The first club period of the academic year started with poetry appreciation. Students were introduced to grade-appropriate poems, each carefully selected to resonate with their interests and understanding levels. The aim was not just to recite verses mechanically but to engage with the poems on a deeper level, exploring themes, emotions, and the craft of the poet. This activity also served as a prelude to the upcoming recitation competition, setting the stage for students to hone their skills and build confidence in delivering poems with passion and precision.

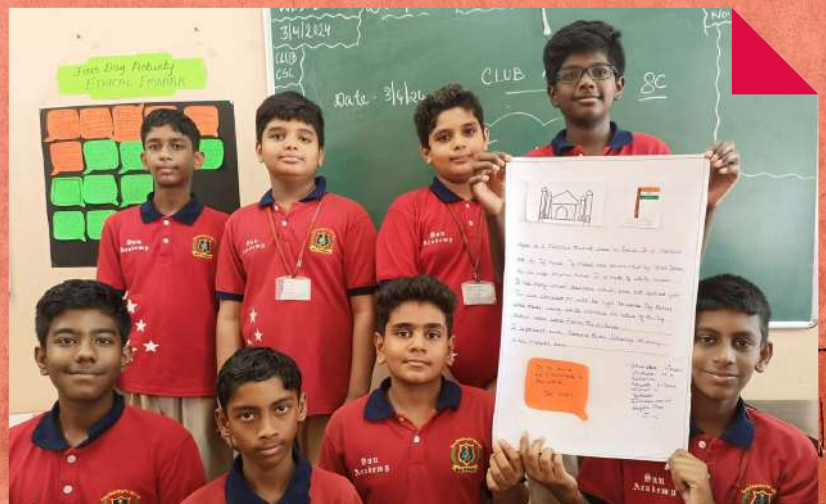

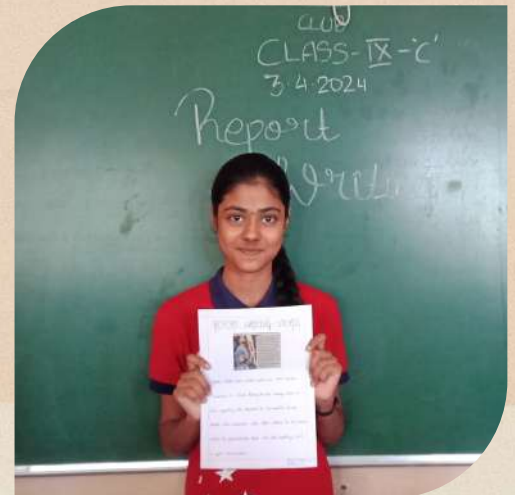

In an age where information is abundant yet nuanced understanding is often lacking, journalism serves as vital platforms for nurturing critical thinking, communication skills, and civic engagement among students. Our club activity held on 3/4/24 for classes 9 and 10 embarked on an activity aiming at honing journalistic skills, promoting media literacy and fostering a deeper understanding of the world around us.

**Travelogue making :**

helps to organize students thoughts and collect the impressions of a place and the things they wish to remember—the destinations, hotels, restaurants, and people.

The students actively participated in this club activity exhibiting team work , planning and creative skills.

They were encouraged to pictorially represent their thoughts rather than preferring much of sentences and the students positively delivered the output with quality, clarity and creativity.

# COLOR WHEEL DAY

## 4.5.2024

Color is an integral part of how people view and define the world. It has become an important part of everyday life in society and has many different uses, such as being used by people as a means to express themselves in order to differentiate themselves from others.

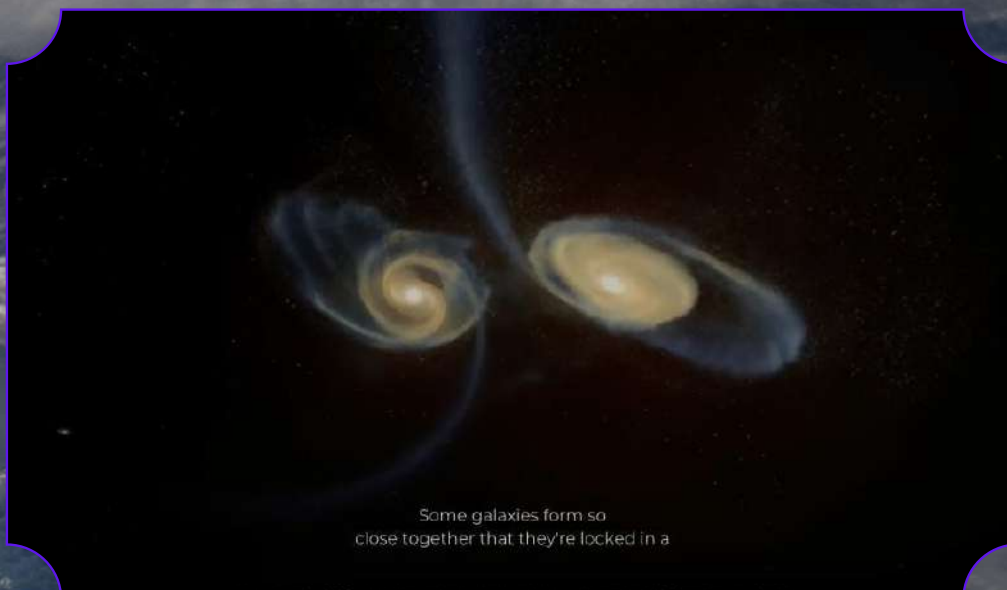

To instill the importance of colours, the children of Jrkg merrily celebrated the Colour Wheel Day. Children were excited to dress up in colorful attires. The colour parade depicted the colors of rainbow. The children dressed up in rainbow colours and marched proudly. High level of enthusiasm was observed in children performing shapes sorting. Colors song and Shapes dance performed by the children tightly implanted the knowledge of shapes and colors

# SPACE CLUB ACTIVITY

## 3.4.2024

The first activity of San Academy's student-run Space Club students from grades 9 and 10 watching a video regarding the timeline of the universe, on April 3, 2024. It comprised of information regarding several eras of the universe, and the evolutionary period of lifeforms on Earth following it. This video has helped enforce an interest regarding space in general, and has overall aided in solidifying what's to come in the future from this Space Club.

# WORLD MARITIME DAY

## 5.4.2024

San Academy Pallikarnai, Chennai, recently hosted an assembly led by Class XII C, themed around National Maritime Day. The event was a comprehensive exploration of maritime history and significance, featuring engaging speeches, informative news segments, and fascinating facts. The assembly hall was adorned with a plethora of displays showcasing models of ships, navigation instruments, and historical artifacts, all set against a beautiful backdrop depicting maritime scenes. Through this assembly, students gained valuable insights into the importance of maritime trade, its impact on global commerce, and the challenges faced by the maritime sector. Overall, it was a successful and enriching event that underscored the school's commitment to holistic education and cultural awareness.

# WELLNESS DAY

## 5.4.2024

Wellness teaches kids how to stay health by developing there personal hygiene, Healthy eating habit, and how to use kind words to others.

Kids of senior kg started the special day by Personal hygiene activities -

1. Brushing - Brushing is very basic and important personal hygiene and it is a important daily routine . Kids also learnt how to take care of the teeth and to prevent from bacteria and cavities .

Children also understood it's important to brush twice a day, and for at least two minutes. And teacher enhanced this activity with a tooth and brush models and taught them brushing techniques.

2. Hand washing - washing the hands regularly will help to prevent getting sick easily.

Kids learnt how soap and water is important to wash their hands. Hand wash technique rub the hands together with soap for at least twenty seconds ,palm to palm ,wrist to wrist,in between fingers then rinse all the soap with water and wipe with towel.

Next comes table manners -

This activity also includes the healthy eating activity.kids got there lunch towel with spoon and healthy smacks.Children learnt the fruits and vegetables are more healthy than any other food. Eating snacks and lunch with spoon will also comes under table manners.

Cleaning activity -

Bits of papers were scattered on the floor kids cleaned the floor by wearing glove in hand to pick paper and drop it in dust bin.which reinforced cleanliness around us.

Kids learnt how magic words are important to make others happy.excuse me,sorry,welcome,please,thank your and also learnt it with action which taught them when and why to use it.

Wellness day finally had a healthy end with some of simple hand and leg exercises which taught them about fitness of body, to stay healthy .

# NO BAG DAY

Students relished the inaugural No Bag Day of the academic year, which kicked off with a movie to foster ethical awareness. The day progressed with Dance-O-Mania, where students enjoyed the dual benefits of fun and physical activity. The finale, a story-weaving session, unleashed their imagination, allowing for boundless creative exploration.

The Karuna Club inauguration at San Academy Pallikaranai on April 6, 2024, marked a significant event in the school's calendar. Led by the esteemed presence of Mr. Kedar Mal Rathi and Mr. Prabodh Jain, the Chairperson of Karuna International, the ceremony radiated with enthusiasm and purpose. The participation of Class 8 students added a youthful vigor to the proceedings.

Commencing with the rendition of Tamil Thai Vazhthu, the event progressed seamlessly through the Karuna prayer and a heartfelt welcome note. The essence and values of the Karuna Club were eloquently portrayed, setting the tone for the day. The ceremonial lighting of the Kuthuvilakku symbolized the auspicious beginning of the club's journey, followed by the felicitation of the esteemed chief guests. Principal Ms. Hemalatha Sooryanaarayanan delivered an inspiring speech, highlighting the significance of compassion and empathy in today's world. As a token of appreciation, saplings were presented to the guests, symbolizing growth and nurturing of noble ideals. A compelling PowerPoint presentation further elucidated the mission and vision of the Karuna Club.

The chief guests, Mr. Rathi and Mr. Jain, delivered thought-provoking addresses, emphasizing the importance of kindness and service in fostering a harmonious society. Testimonials from last year's students underscored the impactful initiatives undertaken by the club.

The solemn pledge taken by the participants reiterated their commitment to embody the principles of compassion in their daily lives. A heartfelt vote of thanks expressed gratitude to all who contributed to the success of the event. The ceremony culminated with the rendition of the National Anthem, uniting all present in patriotic fervor. Overall, the Karuna Club inauguration was a resounding success, heralding a new chapter of empathy and altruism within the school community.

**San Academy, Pallikaranai conducted the No Bag Day for students of class VI, VII and VIII. One of the activities is Carpentry. The incharge person Mr. M. Ragulan gave a brief introduction about carpentry as a vocational skill. Students gained interest when he talked about various tools and techniques used in carpentry. He explained about the tools and students had hands on experience by doing the activities under teachers' supervision. He demonstrated the method of smoothening rough wooden surface manually using sand paper and drilling machine. He also explained about drilling a nail into a wooden piece using drilling bits. Students enjoyed the session and felt that they have learnt a new skill. A few students added that they would also try the activity during their holidays.**

**Topic:** Introduction to making a tent to secure the Garden and the ways to grow vegetables and plants & the usage of fertilizer at home.

**Host:** Mr. Shankar

The glory of gardening: hands in the dirt, head in the sun, heart with nature. To nurture a garden is to feed not just on the body, but the soul. How to avoid insects in the garden to protect the same.

Accordingly, students of San Academy Pallikaranai were taken to San Pal garden. Ways to grow vegetables in the garden were discussed.

The children had an interactive session.

The benefits of having plants at home providing absorption of carbon dioxide from the air and output oxygen; creating cleaner air, beautifying the landscape, creating an appealing environment, and being grown for food were all discussed.

The session was so informative and interesting.

The first NO BAG DAY of the academic year 2024-25 started positively with the most enthusiastic group of children of grade 6 to 8.

The resource person initiated the session with an informative presentation explaining the terms which explains about electricity and its working . The safety measures to be followed while using an electrical appliance was explained by the resource person.

The children were divided into groups and given a brainstorming activity to initiate their thinking process that can help the society in a better way with an electrical or electronics innovation .

Overall the session turned out to be very interactive and informative one for the day.

# TOPIC: SWEET POTATO HALWA

## RESOURCE PERSON: Mrs. Girija

**TAKEAWAY:** The potassium-rich sweet potatoes are good for cardiac health as well as for our kidneys. Potassium is well known for balancing out the excess sodium.

**STUDENT STRENGTH:** 152.

**Grades-** 6 to 8

The first and foremost NO BAG DAY of the academic year 2024-25 commenced with a positive and beaming spirit. The students of food processing actively showed up to the venue anticipating learning with fun vocational study indulging various delicacies.

The recipe of the day was sweet potato halwa.

The resource person started with an explanation regarding the ingredients and nutritional benefits of the recipe.

The cooking procedure was precisely explained as the students took running notes on the same. A short questionnaire session was also held to clarify the doubts of the students.

There were student volunteers to aid the resource person in cutting, chopping, and peeling the ingredients.

The students and the teachers associated had a commendable culinary experience.

Students had a great weekend skill-based takeaway.

# DESIGN THINKING

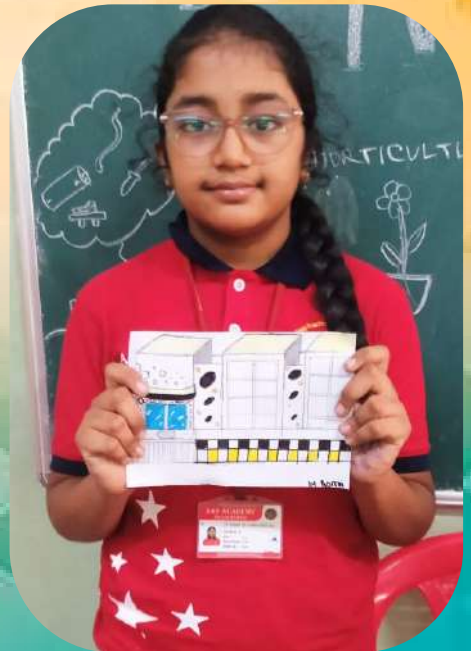

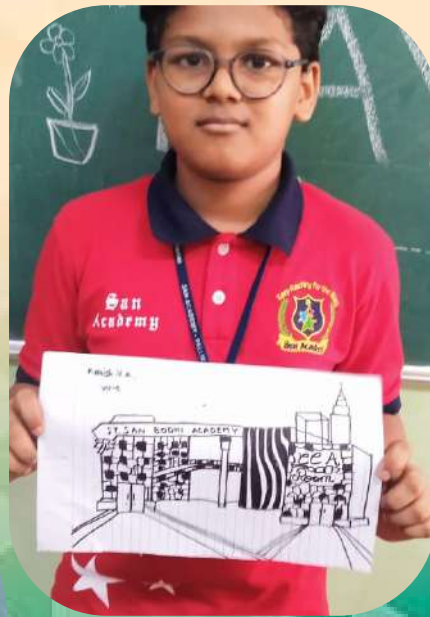

8.4.2024

**Design thinking is an extension of innovation that allows you to design solutions for end users with a single problem statement in mind. It not only imparts valuable skills but can help advance your career.**

**It's also a collaborative endeavor that can only be mastered through practice with peers.**

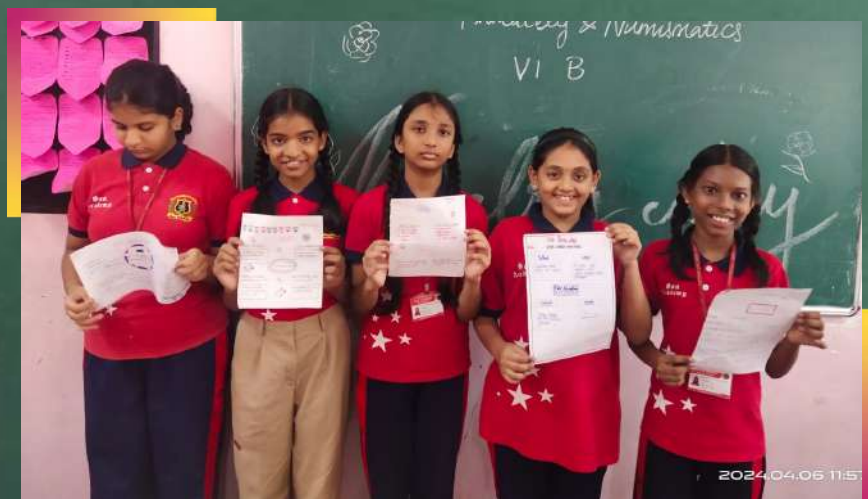

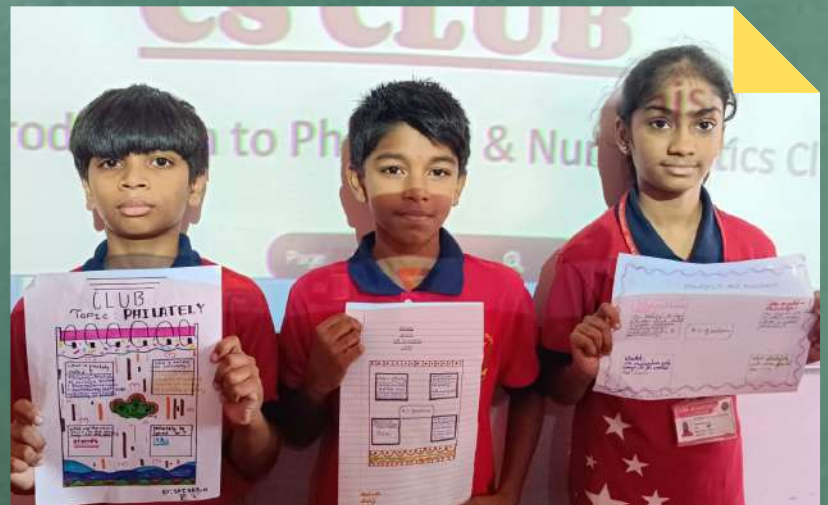

**Design thinking is an approach used for practical and creative problem-solving. It is based heavily on the methods and processes that designers use (hence the name), but it has evolved from a range of different fields including architecture, engineering, and business. Design thinking can also be applied to any field; it doesn't necessarily have to be design-specific.**

**Respective class teachers of classes 6 to 8 gave a brief detailed description of Design Thinking and its elements . Students enthusiastically participated in today's activity.**

San Academy, Pallikaranai conducted the No Bag Day for students of middle school. As a part of it, Philately and Numismatics Club Activity was organized. The session briefly explained the introduction of Philately and Numismatics. The charge teacher Ms. K. Radhika presented a PowerPoint presentation on the topic and explained the importance of the Club Activity. Students thoroughly enjoyed the activity and had fun-filled learning. They came to know about an interesting hobby. Students vouched to collect stamps and coins through which they can have an idea about the past. The session was concluded with an activity in which students will write the 4W questions based on the topic.

**Learning Outcomes: Organisational Skills, Collaborative Skills through Discovery Learning, and Autonomous Learning.**

## Introduction to Yuva Tourism

Teachers had given the introduction about yuva tourism and also initiatives that were taken by the government of India using ppt.

Students eagerly listened to it and understood about Indian destinations and the tourism department. Individuals actively participated and spoke about the tourist places they visited.

This activity promotes self-expression, enhances analytical thinking of students' creativity, Improves students' writing skills, Also encourages the sharing of learning outcomes among students and teachers.

# INTERNATIONAL DAY OF CONSCIENCE 8.4.2024

Morning assembly was the perfect way to start our day with full of positive thoughts and hopes .

The school assembly started with thamizh Thai vazhthu, followed by a school song and birthday wishes.

Students presented with thoughts for the day, elocution speech on love and peace, updated with current affairs, national , international news and weather forecast.

To add on, as a part of world health day on April 7th students actively gave an elaborate talk on world health day and conducted a quiz which was thought provoking and full of enthusiasm.

Students also sang a group song on Song on love and peace, followed by principal mam talk about general steps and awareness to follow during summer season and prize distribution, the assembly ended with the National anthem.

# INTRA COMPETITION

10.4.2024

## Topic\_ story telling

Stories always give wings to our imagination and take us to places beyond the boundaries of the physical world .

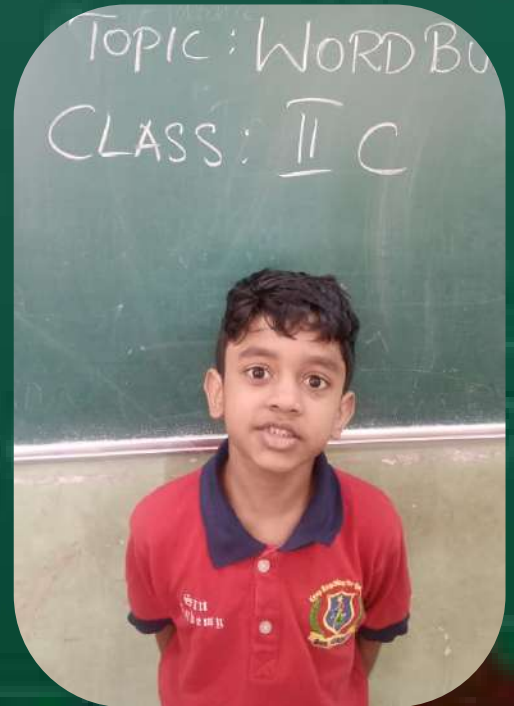

Story telling competition was conducted for class 1 to boost their confidence.Children narrated stories like,"Hare and the Tortoise",The woodcutter" ect.Few students dressed up as characters and presented their story with props like picture charts and 3D models.Each and every student narrated their stories with a moral.The oratory and facial expressions of tiny tots were outstanding.

## Class II

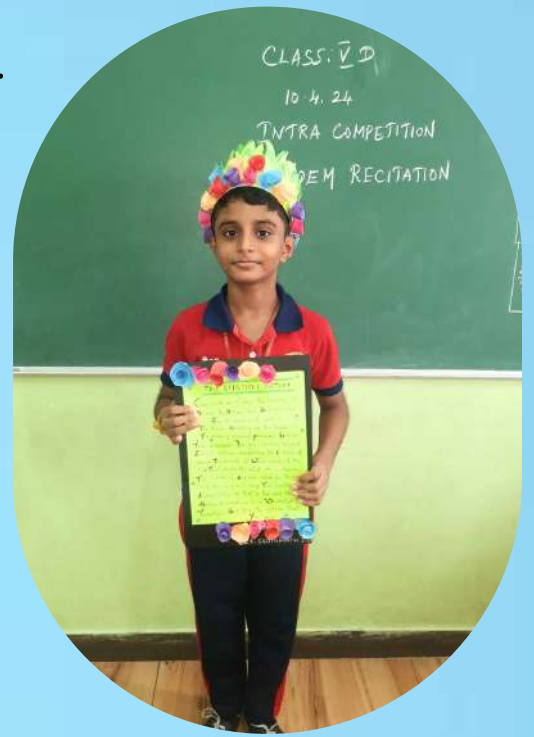

### Topic. Word building

Word building is an effective way to help students practice and work with words. Kids were provided with letter cards and then they placed it on the table to frame as many words as possible.Word building is an exercise to the mind which helps to keep the students brain active .

Word building helps children focus on sounds and letters and develop skills they need for reading, writing and spelling, this will help them to build their vocabulary and increase reading fluency.

**Following the poetry appreciation club activity last week, students engaged in a fun, enthusiastic poetry recital as their intra competition. Students recited their poems for the contest drawing inspiration from the poetry appreciation activity**

**Blogging develops students' analytical thinking and increases learning to a higher level, not merely just "understanding" and "remembering" instructional materials. The students were given the option to choose one among three topics. (Travel, meditation and mindfulness, environment and sustainability) Students not only penned down their thoughts and experiences but also got really creative with the pictures and layouts .**

**It aided the students to Promote self-expression  
Develop analytical thinking ,  
Exercise thier creativity  
Improve their writing skills .  
On the whole it encourages the sharing of resources among students and teachers .**

**As a part of Literary Club Activity for the students of Grade IX & X Intra Competition was conducted on 10th April 2024( Wednesday).**

**The activity 'Just a minute or JAM' is an impromptu speech where the speaker is supposed to express the idea (s) on the given topic, within the duration of a minute. It is quite common to see a speaker experiencing nervousness when asked to speak instantly.**

**Our students actively participated in the activity to enhance their presentation and communication skill.**

# ACCOLADES

## NO TO PLASTIC CARNIVAL AT SAN ACADEMY

Plastic, one of the most preferred materials in today's industrial world, is posing serious threat to the environment and consumer's health in many direct and indirect ways. The effects of plastic pollution on the environment include threat to wildlife and damage to ecosystems. As an initiative towards a plastic free world, the kindergarten students of San Academy, Pallikaranai proudly hosted the No to Plastic Carnival.

Reinforcing on the 5R's Refuse, Reduce, Reuse, Repurpose & Recycle principle, the children of Nursery, Jr.kg and Sr.kg enthusiastically presented their intricately handcrafted products made from plastic waste for sale. They were amused to handle their counters by receiving tokens and sell their products. The parents of our tiny tots graciously took the role of customers and delightedly bought the products.

It gave us immense pleasure to encourage the students from other schools who took part in various competitive events like Little Fashionista, Stage Rocks stars, Rhymes, Voice actors, Poster talks. They decorated the stage with their delightful performances. The kindergarten students of SAN Academy embraced the occasion through their awe-inspiring performances.

The welcome dance presented in a graceful classical way was a blissful inauguration to the event. The slogan, story and rhymes recited by our students, representing the harmful effects of plastic and our responsibility towards it was the need of the hour. A detailed speech and demonstration on the 5R's concept were conceived well by the audi-

ence. Little buds dressed up in interesting attires made out of plastic waste and old newspapers fortified the strong message of NO TO PLASTIC through their mesmerising fashion walk.

The program ended with a cheerful speech by our beloved Principal Hemalatha Sooryanarayanan followed by prize distribution.

A decorative border made of small, multi-colored squares in shades of red, blue, green, yellow, purple, and white surrounds the central text.

THANK  
you
