# AQUA WORLD DAY

SR.KG

On November 20, 2024, SAN Academy, Pallikaranai, celebrated **Aqua World Day** with enthusiastic participation from Sr. KG students, highlighting the importance of aquatic life and conservation. Dressed as various sea creatures like dolphins, seahorses, turtles, and corals, students brought the underwater world to life. The event featured interactive discussions on marine biodiversity, fun facts about water animals, and insights from teachers on protecting marine ecosystems and the environment. Students also learned about products derived from sea animals and the need for sustainable practices. The celebration concluded with young learners pledging to safeguard aquatic resources, fostering awareness, responsibility, and appreciation for the wonders of marine life.

# Bird feeder's day

On November 19, 2024, the Jr. KG students of SAN Academy celebrated **Bird Feeders Day** with great enthusiasm, fostering a love for animals and nature. The day began with a discussion about birds and the importance of feeding them, especially during difficult times when food is scarce. The children showcased their creativity by making bird feeders and participated in a lively celebration, dressed as colorful birds. They performed a graceful bird-themed dance, followed by a charming fashion walk displaying their bird costumes, and concluded with energetic bird rhymes. The event was a joyful and meaningful experience, encouraging the children to appreciate nature and feel proud of their efforts to help birds thrive.

# FRIENDLY NEIGHBOURHOOD DAY CELEBRATION

On November 18, 2024, the nursery at SAN Academy celebrated **Friendly Neighborhood Day**, fostering community spirit and social awareness among the young learners. From 10:00 am to 11:00 am, children dressed up as their favorite community helpers, such as doctors, police officers, and vendors, while engaging in role-playing activities with hand puppets to bring these roles to life. Teachers explained various neighborhood settings, and children participated in hands-on activities to experience the roles of community helpers. This event helped the children understand the importance of community relationships, develop essential life skills, and build a stronger connection to their neighborhood.

# CLASS VI C WORLD TSUNAMI AWARENESS DAY

World Tsunami Awareness Day, a poignant reminder of the devastating impact of tsunamis on communities worldwide was the assembly topic for class 6C. Students recognized the importance of early warning systems, disaster preparedness, and international cooperation in mitigating the effects of these natural disasters. By promoting awareness and resilience, they collectively strived towards a safer and more sustainable future for all. November 5th, marks World Tsunami Awareness Day, a global initiative aimed at spreading awareness and promoting disaster risk reduction. Tsunamis, among the deadliest natural disasters, underscore the imperative of preparedness, early warning systems, and community resilience. Students presented the topic introduction followed by answers to all possible FAQs. Posters were displayed by students followed by quiz, thought and news update. Students did a silent prayer for those who lost their lives during Tsunamis. Students were informed about fostering a culture of safety and responsibility. The assembly ended with the National Anthem.

CLASS II C

# WORLD KINDNESS DAY

On November 5, 2024, Class 2C presented an inspiring assembly to commemorate World Kindness Day, beginning with the traditional Tamilthai Vaazhthu and the school song, setting a patriotic tone. The program included a thought-provoking speech by a student on the significance of kindness, followed by two captivating performances: an engaging classical dance spreading awareness about kindness and a skit titled "Kindness is Beautiful," which showcased the impact of kindness in daily life. Both performances left a lasting impression, emphasizing the importance of kindness. The assembly concluded with the national anthem, instilling patriotism and a renewed sense of purpose in everyone present.

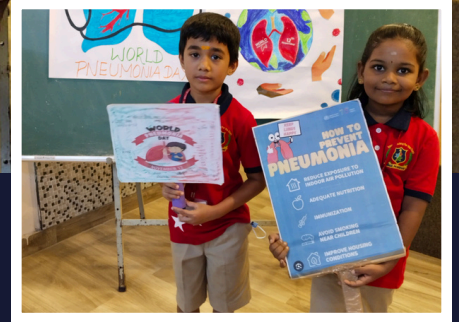

## CLASS IV B

# NATIONAL CANCER AWARENESS DAY

San Academy observed National Cancer Awareness Day with a special assembly by Class IV B students. The event began with Thamizh Thai Vazhthu and featured a conversation, speech, and dance performance to raise awareness about cancer prevention and early detection.

The assembly concluded with prize distribution, words of wisdom from the HM, and the National Anthem, inspiring students to adopt healthy habits and lifestyles.

# NATIONAL PNEUMONIA DAY

On November 12, 2024, Class 1C presented a heartfelt assembly to commemorate World Pneumonia Day, beginning with the traditional Tamil Thai Vaazhthu and the school song, evoking patriotism and unity. The program included a thought-provoking speech by students on pneumonia awareness and its symptoms, followed by two captivating performances: an engaging yoga demonstration promoting "Healthy Lungs, Happy Life" and a poignant skit illustrating the impact of pneumonia awareness in daily life. Both performances effectively conveyed the importance of pneumonia awareness, leaving a lasting impression on the audience. The assembly concluded with the national anthem, instilling patriotism and a renewed sense of purpose in everyone present.

**NOVEMBER 12, 2024**

# CHILDREN'S DAY CELEBRATION

KG - V

Children are the architects of a better tomorrow. Let's give them the tools of love, education, and opportunity to build their future. So to highlight this quote Children's day was celebrated on 14th November in our school assembly. The Class IV C assembly started with 'Thamizh Thai Vazhthu' followed by a fancy dress competition by a few students. Nehru, doll, Spider-Man, teacher and the highlight was a clown dress up. Students enjoyed the show very much. Few students gave speeches on children's day importance & why it is celebrated. Later to make it a remarkable moment 4 girls sang a song on children's day and exhibited their talents. Students who won prizes in various events were given certificates. Later the event was extended with children's day celebrations and a teachers program.

November 14, 2024

# International DAY FOR TOLERANCE

NOVEMBER 18, 2024

On November 18, 2024, Grade 6D conducted an assembly to commemorate the International Day of Tolerance, observed annually on November 16, to promote understanding, respect, and acceptance among students from diverse backgrounds. The program began with a thought-provoking speech, followed by a "Thought of the Day," a "Word of the Day," and a quiz conducted by the students of 6D, all aimed at helping the students grasp the importance of tolerance. The assembly culminated in a stunning visual treat, featuring a semi-classical dance and ramp walk that highlighted tolerance icons from world history, various professions, and the support staff of the San family. The event served as a reminder that despite our differences, we are united by our shared humanity, leaving a lasting impression and inspiring students to contribute to a more harmonious society.

CLASS VI D

# WOMEN ENTREPRENEURSHIP DAY

The assembly held on November 19, 2024, organized by Class 2D to commemorate Women Entrepreneurship Day, celebrated women's empowerment and their contributions to entrepreneurship and economic development. The event began with the traditional Tamil Thai Vazthu, followed by a harmonious school song performance by the Class 2D choir team, setting an uplifting tone. A student then delivered a well-articulated speech, highlighting the vital role of women entrepreneurs in the global economy, promoting innovation, and inspiring future generations.

The assembly continued with a stunning ramp walk, where girls showcased the personas of top Indian women entrepreneurs like Kiran Mazumdar Shaw, Indra Nooyi, and Falguni Nayar. The highlight was a heartfelt tribute by the boys, acknowledging the hard work and resilience of women entrepreneurs and expressing support for gender equality. The assembly concluded with a sense of pride and motivation, leaving everyone inspired by the accomplishments of women entrepreneurs and the promising future for young women aspiring to follow in their footsteps.

# NATIONAL INTEGRATION DAY

National Integration Day, celebrated every year on November 19, marks the birth anniversary of Indira Gandhi, the first woman Prime Minister of India. The day holds particular significance as it is a time to celebrate the country's diversity while recognising the importance of working together for the greater good of the nation. The Class IV D assembly started with 'Thamizh Thai Vazhthu' followed by a thought. Students shared some general facts and facts on National Integration day. A speech on National Integration was given to gain knowledge about the day why it is celebrated. Students actively participated in dance and exhibited their talents. Students who won prizes in various events were given certificates. Following this, the first step towards the much-awaited Knowledge Safari Project Day was taken, with teachers delivering a brief presentation on subjects like English, Math, and Tamil. The use of charts helped clarify key concepts, and this engaging introduction sparked enthusiasm among the students, setting the tone for the exciting activities ahead.

# WORLD SCIENCE DAY

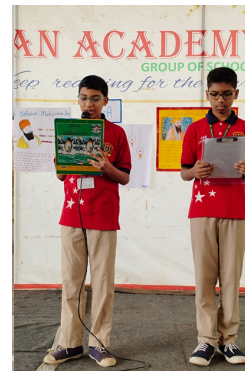

The theme of World Science day conducted by Class XI A the students presented a series of impactful programmes. The assembly began with a thought-provoking talk highlighting the importance of science in our daily lives and its potential to create a sustainable future. This was followed by a compelling speech that honored the Nobel winners in science and highlighted the sustainability future, innovation and curiosity along with STEM education. Additionally, the students displayed creative posters that visually represented the world science day celebrations. The assembly was a profound reminder of the importance of science in sustainable future.

Remembering the Martyrdom of Guru Tegh Bahadur Ji

The assembly started with Tamil Thai vazhthu followed by a school song. Then informative facts were shared by students about the ninth Sikh Guru, Guru Tegh Bahadur Ji, who sacrificed his life for the sake of humanity and the freedom to practice one's faith. Guru Tegh Bahadur Ji's martyrdom day is observed on November 24th every year.

A skit was performed by students to commemorate Guru Tegh Bahadur Ji's martyrdom day who was a symbol of courage, compassion, and devotion. He stood up against the Mughal Empire's forced conversions and fought for the rights of the oppressed. Then a quiz was conducted and the Assembly concluded with the National Anthem.

CLASS I D

# ANTI-BULLYING

Anti bullying "Respect for All: Standing Together Against Bullying" Students of class I D started their assembly program with Tamil thai vaazhthu followed by the school song evoking patriotism and unity. Students we're here to showcase something very important: respect for one another. Bullying is a serious issue that affects many people, and it's up to us to create a safe and supportive environment for everyone. students expressed their kindness and empathy in mime, they took the oath against bullying.

Every small action counts, and together we can make a big difference! Let's all make a promise to treat each other with kindness, respect, and empathy. We can create a positive and supportive environment by standing together against bullying. "Respect for All" is our motto. Let's live by it!

# FORT ST. GEORGE

## FIELD TRIP

Grade VI students of San Academy, Pallikaranai went on a field trip to Saint George Fort accompanied by Staff and support staff. A field trip to Saint George Fort is an enriching experience that combines history and exploration. Built in 1644 by the British East India Company, this iconic landmark in Chennai offers a glimpse into colonial architecture and India's maritime history. Students can explore the fort's museum, which houses artifacts, coins, and documents from the British era, providing a window into the past. The grand structures narrate stories of resilience and heritage. Walking along the fort's walls offers breathtaking views of the surroundings, making the trip both educational and enjoyable. This visit fosters curiosity and appreciation for India's rich historical tapestry. This field trip enhanced their collaborative skills and teamwork.

# KALAINAR CENTENARY PARK

## CLASS VI FIELD TRIP

Grade 7 students embarked on an enriching field trip to the Kalaignar Centenary Park, a historic site of profound cultural significance, where they explored and learned about the region's heritage. The excursion allowed students to engage with various monuments, artifacts, and exhibits, deepening their understanding of the site's cultural and historical importance. The trip also encouraged critical thinking as students analyzed the significance of the cenotaph and its surroundings. Throughout the visit, students exhibited enthusiasm, respect, and responsibility, reflecting the school's values. The park's picturesque surroundings sparked interest in botany, particularly during their visit to the glass house, and the play area provided a fun contrast to the educational aspects of the trip. A reflective discussion at the end allowed students to share their insights, solidifying their learning and appreciation for the experience.

# Shell Museum

FIELD TRIP

CLASS VIII

Grade 8 students had an absolute blast on their recent field trip to the Sea Shell Museum, where they, along with teachers and support staff, were immersed in the fascinating world of marine life. The excitement was palpable as they explored stunning exhibits showcasing a wide array of marine creatures, from colorful fish and coral to majestic sharks and sea turtles. The interactive displays, including fascinating sections on dinosaurs, pearls, and a bewitching 3D art gallery, were huge hits with the students.

# Jungle Safari and 12D Cinemagic Show

**FIELD TRIP**

Class IX embarked on an exciting field trip to VGP's Jungle Safari, a thrilling theme park, and 3D Theatre Show. As we explored the safari-themed park, we enjoyed the lifelike animatronic animals. The real thrill came when we entered the dark room, where screams and shouts filled the air as we navigated through the eerie atmosphere. The 3D theatre show mesmerized us with its stunning visuals and immersive experience. This trip was an entertaining and exciting experience, making it an unforgettable adventure!

**FIELD TRIP**

# SAI UNIVERSITY FOR CAREER GUIDANCE PROGRAMME

**NOVEMBER 14, 2024**

On November 14, 2024, Class XI students from San Academy Pallikaranai visited SAI University in Thiruporur for a career guidance field trip aimed at exploring various career opportunities and gaining insights into the professional world. The visit included a comprehensive guided tour of the facility, interactive sessions with professionals from various departments, personalized career counseling, and networking opportunities with professionals and students from diverse backgrounds. The experience helped students learn about different career paths, the importance of skill development, and the significance of networking and building relationships for future success. The field trip proved to be an enriching experience, leaving students with valuable knowledge and a broader perspective on their career choices.

# NO BAG DAY - NOVEMBER CLASS VI - VIII

## HORTICULTURE

On a visit to the San Pal Garden, 87 students participated in an insightful session on **Garden Maintenance** led by Mr. Shankar, where they learned the importance of horticultural practices in sustaining healthy, vibrant gardens. The session covered key techniques like pruning to remove damaged or diseased plant material, training plants for optimal growth, and implementing efficient irrigation systems, such as drip irrigation, to conserve water while ensuring hydration. Students explored integrated pest management strategies to mitigate pests and diseases and gained knowledge on soil management practices like composting and targeted fertilization to enhance soil quality. By adopting these sustainable methods, the students gained a holistic understanding of creating resilient and aesthetically appealing gardens, fostering an appreciation for the intricate balance of nature and the art of gardening.

## YUVA TOURISM

The travel blog writing activity encouraged students to enhance their creative writing skills by describing a real or imaginary trip. They detailed locations, unique features, cultural highlights, and personal experiences, weaving narratives rich with observation and personal perspective. This activity nurtured critical thinking, cultural exploration, and an appreciation for diverse traditions while fostering a love for storytelling and discovery. By reflecting on their journeys, students developed a deeper connection to writing and broaden their horizons through imaginative and thoughtful expression.

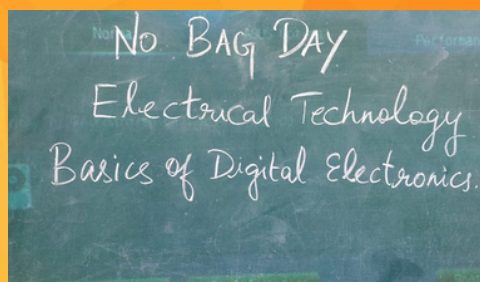

# CARPENTRY

On November 23, 2024, at the Arabian Tent, 61 students participated in an engaging session on **Making a Keychain Holder** under the guidance of Mr. Rahul. The activity encouraged creativity, teamwork, and problem-solving as students selected smooth wooden planks, followed step-by-step instructions, and assembled personalized keychain holders. The session also included crafting keychains, adding a fun, personal touch to the experience. Students learned to use carpentry tools, apply safety protocols, and practice essential techniques like measuring, cutting, sanding, and assembling, enhancing their fine motor skills and hand-eye coordination. Many pledged to gift their creations to loved ones, making the activity both meaningful and enjoyable.

# DESIGN THINKING

Through design thinking, students from Classes 6 to 8 explored innovative solutions across diverse topics. Class 6 reimagined sundials into forms like vertical, solar-powered, artistic, and smart designs, enhancing functionality and appeal. Class 7 delved into hybrid plants, creating sustainable solutions such as "Solar Trees," "Vertical Farms," "Bio-Domes," and "Smart Gardens" to address environmental challenges. Class 8 used sketching to understand different types of motion, from pendulums and gears to waves and projectile motion, uncovering real-world applications of physics. These activities showcased how empathy, ideation, and creativity drive meaningful innovation.

# ELECTRICAL TECHNOLOGY

On November 23, 2024, a session on the **Basics of Digital Electronics** was conducted for 114 students of Classes 6 to 8 in venues 6A, 6B, and 6C. The session introduced fundamental concepts such as digital systems, logic gates, ICs, and their applications, emphasizing the need for digital systems over analog through comparisons and real-world examples. Students explored the importance of digital electronics in a technology-driven world, developing problem-solving skills, enhancing STEM knowledge, and fostering creativity. Hands-on projects like LED circuits, traffic light systems, and home automation were demonstrated through videos, making the learning interactive and inspiring young minds to innovate and excel in the digital era.

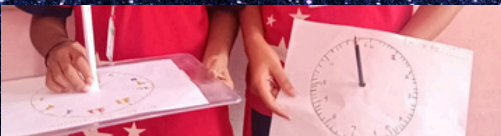

# FOOD PROCESSING

On a bagless day, 120 students participated in an engaging culinary session on making **Dry Fruit Laddu**, blending cultural appreciation with skill-based learning. The session began with an explanation of the ingredients—almonds, cashews, black raisins, dry grapes, pumpkin seeds, pistachios, dates, and figs—and their nutritional benefits, emphasizing the health appeal of this traditional treat. The resource person guided students through the cooking process, which some eagerly documented while others enjoyed hands-on experience sautéing nuts. A short questionnaire and peer-led re-explanations reinforced the learning. Students savored the laddus, relishing the richness of Indian culinary heritage, and left with a practical skill and a deeper understanding of healthy, traditional food preparation.

# PHILATELY AND NUMISMATICS

On November 23, 2024, as part of **No Bag Day** at San Academy Pallikaranai, Class VI students participated in an engaging **Philately and Numismatics Club** activity focused on creating stamp and coin albums. The session aimed to inspire an appreciation for history, culture, and artistry while teaching students to systematically organize and preserve their collections. Students learned techniques for arranging, cataloging, and thematically presenting their items, with tips on annotating collections with historical and cultural insights to transform albums into meaningful narratives. They viewed examples of coin and stamp albums, received practical instructions, and pledged to create creative and well-organized collections, fostering organizational skills, attention to detail, and a rewarding weekend hobby.

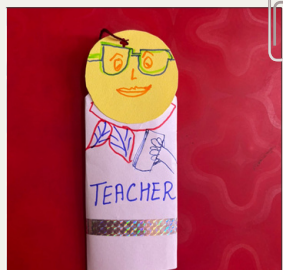

# KARUNA CLUB

On November 23rd, Karuna Club organized an engaging and informative session for Class 8 students, focusing on diabetes awareness and World Kindness Day. The diabetes segment featured videos explaining causes, symptoms, and management, personal stories of individuals living with diabetes, and expert advice on prevention and healthy living. For World Kindness Day, students watched heartwarming videos of random acts of kindness, inspirational stories of community impact, and discussions on the importance of empathy. These presentations provided valuable insights into managing diabetes and highlighted the transformative power of kindness and compassion in daily life.

# Club Activity

The journey from seed to table is an enchanting tale of nature's bounty and human ingenuity. Our young learners of Kindergarten to Class 2 will take you on a vibrant adventure through the fascinating process of food production. Through dances, skits, and storytelling, this segment highlights the importance of sustainability and gratitude for the food we eat. Let's celebrate the wonders of the farm-to-fork journey and nurture a love for nature in the hearts of our little ones.

Relationships form the foundation of a fulfilling life, and in this heartwarming presentation, students of Classes 3 to 5 will explore the theme of Bonding. From the joys of friendship to the strength of family ties, the performance celebrates the connections that shape our lives. Witness their creative expressions through drama, music, and dance as they remind us of the beauty and significance of meaningful relationships.

Time is a mysterious yet precious force that shapes our lives. The students of Classes 6 to 8 present Timeless, a performance that delves into the essence of time across generations. Through captivating acts and artistic expressions, they will take the audience on a journey through history, present, and future, showcasing the enduring values and lessons that remain relevant across ages. Let us reflect on the power of time and the legacy it creates.

What lies at the heart of success? Is it talent, perseverance, or the courage to dream big? The senior students of Classes IX to XII unravel the Secret of Success through a spectacular presentation. Featuring inspiring performances, thought-provoking acts, and the culmination of youthful energy, this segment promises to motivate and resonate with all. We are honored to have acclaimed musical director Mr. G.V. Prakash Kumar as our chief guest, whose journey is a shining example of dedication and passion.

# POCSO MEETING

## POCSO COMMITTEE MEETING

POCSO Committee Meeting was held on 23rd November, 2024 in Sr. Kg. C Classroom at San Academy, Pallikaranai between 11:30 am. and 12:30 pm. 11 committee members participated and discussed that a fixed date must have been scheduled to make all the committee members to get participated. It was also decided that every month the third Saturday can be scheduled for the POCSO Committee Meeting between 11 am and 12 am. And if any changes in the date and timings that can be intimated. Principal, Ms. Hemalatha Sooryanarayanan announced that the same committee members will be involved for the safety and welfare committee as well (Anti-Drug Committee) as per the circular received from the state government. Ms. Aishwarya, one of the committee members, completed her POCSO Enabler Training Programme and created awareness about the importance of having the POCSO Committee in the school and also insisted the members to become a certified trainer on the same. It was also decided that the admin people also should be oriented about the POCSO Act and the same has been approved and scheduled for the month of December. It was also expected to use the jargon terms related to POCSO at least in the meetings to have an open talk. Plan of conducting many sessions related to bullying, body shaming, use of inappropriate words and languages, gender stereotypes, etc. for students was made that will be implemented as much as possible by the committee members.

**23RD NOVEMBER, 2024**

# POCSO MEETING

## POCSO ORIENTATION TO THE TEACHERS

POCSO Orientation to 3 to 5 teachers was conducted on 16th November, 2024 between 12:30 and 1:00 pm. by Ms. Mohana Priya J., student counsellor, in IV-B Classroom, San Academy, Pallikaranai. During this session, she explained the POCSO Acts and the different offenses with punishments. She also briefed about the salient features of POCSO act and the provisions and facilities given to the children as this act is a child-friendly act. She also created general awareness on the identification of victims, mandatory reporting, responsible figures for reporting and some unsupportive behaviours of treating the victims. It was emphasized that the teachers are playing a vital role in the students' lives as the children from age 3 to 17 are spending most of their time in school with them, so it is important to know the crucial role played by all the teachers. The session ended with some questions and answers which were clarified to the point.

**16TH NOVEMBER, 2024**

# POCSO MEETING

## POCSO ORIENTATION TO THE SUPPORT STAFF

POCSO Orientation to support staff on 11th November 2024 between 10:30 and 11:00 am by Ms. Mohana Priya J, student counsellor, in Nursery Classroom, San Academy, Pallikaranai. During this meeting, she explained about POCSO act 2012 and its salient features and punishments for different types of offenses. She also encouraged the support staff to be aware about self-care management and it was also insisted that none of our behaviours should make the students point out us for any reasons as this act is a very child-friendly act. She also emphasized them to prepare their own biological children to step in puberty, work in collaboration with gender equality, face the challenges, etc. It was an informative session for the support staff and the session got over with a group photograph.

**11TH NOVEMBER 2024**

# POCSO MEETING

## POCSO ORIENTATION TO THE CLASS III - V STUDENTS

POCSO Moral Instructions were given to class 3-5 students on the topic "My Support Systems" on 28th November, 2024 between 8:45 and 9:15 am. in the Basketball Court, San Academy, Pallikaranai. The student counsellor, Ms. Mohana Priya J, addressed the gathering and interacted about their support systems in home, school and van and in their surroundings. She educated the students to create more support systems with a positive approach, behaviours, way of communication and attitudes and not to reduce our support systems by being adamant, disobedient and disrespectful to them. She also emphasized that having a stronger support system will be helpful when we are under trouble. She again insisted to seek help from the trustworthy adults when it is really required for any reasons, physically, socially and psychologically. The students were interactive throughout the session and felt it as an informative session for them.

**28TH NOVEMBER, 2024**

# STUDENTS' ACHIEVEMENTS
