FIELD TRIP TO FARM

JR.KG 07.11.23

On the 7th of November, the vibrant energy of our JR KG children filled the air as they embarked on an enriching field trip to MCC Farm. The anticipation and excitement were palpable as the little ones eagerly immersed themselves in the fascinating world of farm life. The visit proved to be an engaging and educational experience as the children had the opportunity to observe and learn about a variety of farm animals. From the clucking hens and strutting roosters to the majestic turkeys, adorable pigs, graceful spotted deer, playful goats, and gentle cows—the farm presented a diverse array of creatures that captured the children's curiosity. Enthusiastic laughter and wide-eyed wonder filled the air as the children interacted with the animals, discovering the unique characteristics of each species. This hands-on encounter allowed them to forge a connection with nature and appreciate the importance of farm life in a fun and memorable way. The farm field trip not only provided a delightful escape from the classroom but also served as a valuable educational experience, aligning with our commitment to holistic learning. The children left MCC Farm with a newfound appreciation for the animal kingdom, their faces beaming with the joy of discovery.

FIELD TRIP TO BAKER'S SHOP

NURSERY – 08.11.2023

On the 8th of November, our Nursery children embarked on a delightful field trip to the renowned baker's shop, 'Tarts the Eater's Club.' The excursion was a feast for the senses as the children were immersed in the enchanting world of baking. Upon arrival, the children were greeted by the inviting aroma of freshly baked goods. Their eyes widened with curiosity as they observed the array of delectable treats on display, ranging from golden-brown pastries to intricately decorated cakes. The highlight of the day was an interactive session with the skilled baker, who graciously demonstrated the art of baking. The children gathered around as the baker showcased the process of creating a masterpiece—a freshly baked cake. The excitement reached its peak as they witnessed the cake being sliced and the finishing touch of icing being skilfully applied to the entire confection. To add to the joy, the little bakers were presented with a sweet surprise. Each child received a charming gift box containing mini tarts, a token of appreciation from 'Tarts the Eater's Club.' The joy on their faces was priceless as they eagerly anticipated indulging in their delicious takeaway. The field trip not only satisfied the children's curiosity about the baking process but also ignited a passion for the culinary arts. 'Tarts the Eater's Club' provided a memorable experience that will undoubtedly leave a lasting impression on our young learners, inspiring future bakers and food enthusiasts.

FIELD TRIP TO GUINDY SNAKE PARK

SR.KG - 09.11.23

On the 9th of November, the SRKG children embarked on a thrilling field trip to Guindy Snake Park. Excitement filled the air as the young children eagerly anticipated an up-close encounter with some of nature's most captivating creatures—snakes and reptiles. The visit to the park proved to be an educational adventure, offering the children a unique opportunity to observe and learn about a diverse array of reptilian wonders. From the mesmerizing spectacle of cobras and the ominous presence of the Russell's viper to the vibrant hues of green snakes, the park showcased the rich biodiversity of the reptile kingdom. In addition to the serpentine wonders, the children were enthralled by the sight of crocodiles basking in the sun, the slow and steady movements of tortoises, and the curious iguanas exploring their enclosures. Each exhibit provided a valuable learning experience, allowing the children to appreciate the importance of these reptilian inhabitants in our ecosystem. Children left the field trip with a wealth of knowledge about snakes and reptiles, and their enthusiasm for wildlife conservation was palpable.

DIWALI CELEBRATION

NURSERY, JR.KG, SR.KG – 10.11.2023

On November 10th, 2023, the spirit of Diwali illuminated the hearts of Nursery, Jr. KG, and Sr. KG children as they came together for a joyous celebration. Dressed in a kaleidoscope of colors that mirrored the vibrancy of the festival, the tiny tots embarked on a day filled with cultural richness and delightful festivities. The festivities commenced with a warm introduction by the teachers, setting the stage for an immersive exploration of Diwali. The enchanting tales of the festival were narrated, allowing the children to grasp the significance of the festival of lights and the triumph of good over evil. The celebration came alive as the children took center stage, treating the audience to a lively dance performance and a skit that encapsulated the essence of Diwali. Laughter and applause filled the air as the young performers showcased their talent and creativity, spreading joy among their peers. The magic continued as the children gathered to witness their teachers light fireworks flowerpots, creating a mesmerizing display that reflected the radiant joy of Diwali. The children immersed themselves in creating paper lanterns, diyas, and rockets, each masterpiece a testament to their creativity and connection to the cultural traditions of Diwali. These crafted treasures became take-home mementos, ensuring that the festive spirit continued beyond the school walls. The Diwali celebration at San Academy was not just a day of festivities; it was a journey of cultural exploration and shared joy.

DIWALI CELEBRATION

CHILDREN'S DAY CELEBRATION

NURSERY, JR.KG, SR.KG - 14.11.2023

On the 14th of November 2023, the little ones from Nursery, Jr. KG, and Sr. KG celebrated Children's Day. The day was filled with laughter, colors, and exciting activities that left smiles on every child's face. The festivities commenced with an introduction to Children's Day by their teachers, setting the tone for a day dedicated to the joy and innocence of childhood. The classrooms were a vibrant display of colors as children donned their most colorful attire, adding to the festive atmosphere. The day was brimming with fun-filled games, activities and surprises. As the day unfolded, each child had the opportunity to express their creativity by crafting a beautiful paper rose, white dove and greeting card to take home—a memento from a day filled with laughter and learning.

FRIENDLY NEIGHBOURHOOD DAY

NURSERY – 20.11.23

On November 20th, 2023, the Nursery children came together to celebrate the Friendly Neighborhood Day, a day dedicated to exploring the roles of community helpers. Guided by their teachers, the little ones delved into an exciting journey of discovery, learning about the various community heroes and the unique places where they work. The classrooms buzzed with enthusiasm as children embraced the theme by dressing up as their favorite community helpers. From doctors and nurses to firefighters, teachers, farmers, postman, and even the friendly milkman, the colorful array of costumes brought the community to life within the school walls. Under the guidance of their teachers, the children took turns introducing themselves as their chosen community helper, proudly displaying the tools and items associated with their respective roles. This interactive session not only allowed the children to showcase their creativity but also deepened their understanding of the important functions these community heroes perform. A highlight of the day was the crafting activity, where the children joyfully engaged in creating a nurse craft. This hands-on experience not only honed their fine motor skills but also served as a tangible reminder of the valuable contributions of healthcare professionals in our neighbourhood. The Friendly Neighbourhood Day proved to be an educational and enjoyable experience for the Nursery children, fostering a sense of community awareness and appreciation for the everyday heroes who make a difference in our lives.

BIRD FEEDER'S DAY

JR. KG 21.11.23

On November 21st, 2023, the JRKG children had a delightful and educational experience as they celebrated Bird Feeder's Day. The event was thoughtfully organized to immerse the children in the fascinating world of birds, fostering a sense of compassion and understanding for our feathered friends. The highlight of the day was the captivating Bird Ramp Walk, where the children, adorned in colorful bird costumes, took to the runway, showcasing their avian-inspired attire. This playful activity not only sparked the children's creativity but also provided a visual and interactive introduction to the diverse world of birds. Learning about birds extended beyond the runway, as the children participated in an action-packed Bird Dance, bringing the enchanting world of birds to life through movement and expression. The lively performance added a touch of joy to the day, reinforcing the importance of understanding and appreciating nature. The teachers took the opportunity to impart valuable lessons on bird care, demonstrating how to use a bird feeder to provide nourishment for our feathered friends. This hands-on experience not only educated the children about the needs of birds but also instilled a sense of responsibility and compassion toward these winged creatures. The day concluded with a creative twist as the children engaged in crafting beautiful bird feeders. This activity not only enhanced their fine motor skills but also allowed them to express their creativity while contributing to the well-being of birds in their surroundings.

AQUA WORLD DAY

SR.KG - 22.11.23

On November 22nd, 2023, the SrKG children enjoyed a special event known as Aqua World Day, immersing themselves in a day filled with valuable lessons about the significance of water and the wonders of aquatic creatures. Guided by their teachers, the little ones embarked on an educational journey that not only taught them about aquatic life but also instilled a sense of responsibility for water conservation. The day began with a thoughtful session led by the teachers, delving into the importance of water and shedding light on endangered aquatic animals. The children were actively engaged, absorbing crucial knowledge about the role they can play in protecting these vulnerable species. The teachers also emphasized the importance of water conservation practices that can start right at home. To infuse an element of joy into the learning experience, the children danced together, embodying the playful movements of water animals. Some adventurous children even embraced the role of mermaids, adding a whimsical touch to the festivities. The event successfully blended education with fun, creating a memorable and enriching experience for the SrKG children.

SHOW AND TELL

NURSERY – 27.11.23

In a delightful showcase of creativity and confidence, the Nursery children recently took center stage in a vibrant Show and Tell event. Dressed in theme-based costumes and props, the young participants exuded enthusiasm as they presented their chosen topic—community helpers—with flair and charm. The event was not just a display of props; it was a dynamic performance where each child shared their thoughts and ideas. The theme of community helpers inspired the little ones to express their creativity and understanding in a unique and engaging manner. Motivated by the event, the Nursery children embraced the opportunity to express themselves, fostering a spirit of creativity and self-confidence.

SHOW AND TELL

JR.KG 28.11.23

In a delightful and confidence-filled event, the Jr.KG children recently dazzled in the Show and Tell extravaganza. The young participants, dressed in vibrant headgears and adorned with handmade props, took the stage with enthusiasm, capturing hearts with their adorable presentations about their favorite birds. The air was charged with excitement as the children confidently shared their knowledge about various bird species, highlighting different features and parts. Their enthusiasm skyrocketed, creating an atmosphere of joy and eagerness to express themselves. The event not only showcased the children's creativity but also played a pivotal role in building their confidence and self-esteem. Each child spoke eloquently, describing their chosen bird with a mix of feelings, thoughts, and emotions. This not only enhanced their communication skills but also provided a platform for them to express themselves in a supportive environment.

SHOW AND TELL

SR.KG 29.11.23

In a captivating Show and Tell event, the Sr.KG children recently demonstrated their talents by delving into the fascinating topics of the Aquatic World, Amphibians, and Reptiles. With enthusiasm and confidence, each child chose a topic and passionately shared their knowledge, turning the event into a vibrant exhibition of learning. This platform not only provided an opportunity for the children to showcase their understanding of the theme but also became a catalyst for improving their communication skills. The young participants, armed with creative props, articulated their thoughts with remarkable confidence, making the event an engaging and educational experience for both the presenters and the audience. The Sr. KG Show highlighted their individual talents and the strides they have made in effective communication.
