

ENFANTS ECO CLUB

JULY 2024

GRADE I TO II

Dear Parents,
Greetings from SAN ACADEMY!

We at SAN Academy, create a welcoming and exciting learning environment by developing the attitude and skills that support healthy and fulfilled life with the confidence for lifetime of learning. We support personal development, social responsibility, sense of self-worth and promote a “can do “ attitude and inspire each to achieve their best .

ARTISTIQUE

Artistique is a club which aims to keep the children updated on all the activities planned for the month ahead .We provide different activities for our students to equip them with holistic education by balancing academics with extracurricular activities and to develop social skills. School clubs let students discover the value of unity, let the students learn from their peers, let the students learn to respect another person’s viewpoint . school clubs provide plenty of opportunities for students to take on leadership roles and show off their talents through club activities.

SUGGESTIONS

As parents , if you have any feedback or queries , do feel free to drop in your suggestions at santam@sanacademy.edu.in. Listening to your feedback makes us feel more involved as a part of the value addition process.

Ms. R. Archana , Managing Director.

ENFANTS ECO CLUB

JULY 2024

GRADE I TO II

WHAT IS ECO CLUB?

ECO CLUB

An Eco Club is a student-led organization that promotes environmental awareness, sustainability, and conservation through various activities, projects, and campaigns. The definition of an Eco Club can be summarized as:

"Eco Club: A student-driven initiative that empowers young individuals to take action for the environment, fostering a culture of sustainability, conservation, and eco-friendly practices within their school, community, and beyond."

ECO CLUB

JULY 2024

GRADE I TO II

WHAT IS ECO CLUB?

ECO CLUB

The primary objectives of an Eco Club include:

- Raising awareness about environmental issues and their impact
- Promoting sustainable practices and reducing waste
- Encouraging eco-friendly habits and behaviors
- Supporting conservation efforts and protecting local biodiversity
- Providing a platform for students to develop leadership, teamwork, and problem-solving skills

By definition, an Eco Club is a dynamic and inclusive space where students can come together to make a positive impact on the environment and create a more sustainable future.

ENFANTS ECO CLUB

JULY 2024

GRADE I TO II

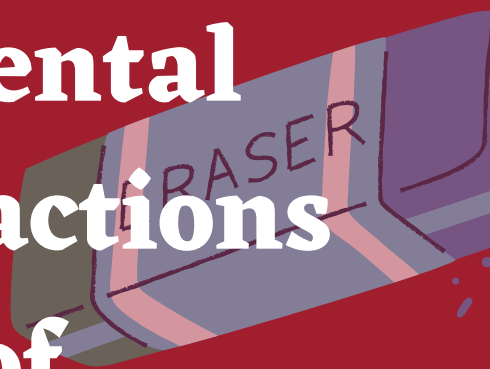

DAY 1 & 2 : WEDNESDAY 3.07.24 and 10.7.2024

What is the mission of the Eco Club?

Eco club seeks to promote environmental awareness at the grassroots level by creating and nurturing green consciousness among the students.

Why is the ECO important in schools?

An environmental club is a platform through which students can learn to take personal responsibility to live in a sustainable manner and improve their environmental leadership skills. They discover how decisions and actions taken by the government promote sustainable use of natural resources.
