INTRA CLUB GRADE I & II 28.06.2023

Club activities are conducted to the students as an extended learning beyond Textbooks. With a view to enhance their creativity Art club was introduced to students where they learnt about Clay modelling. Clay modeling is one way to develop fine motor skills. It not only caters to the needs of pre-writing skills but also smoothens wrist and finger muscles which help in formal writing. Students learnt this art by making simple shapes, fruits, vegetables etc. To evaluate their learning Intra club competition was conducted and students came up with beautiful clay models.

FIELD TRIPS

GRADE I & II 16.06.23

Field trips play a crucial role in enhancing students' learning experience by providing them to visit the Connemara Library on 22.06.23 with opportunities to gain practical knowledge and develop important social and interactive skills. We believe that such trips allow students to break free from the confines of the classroom and explore the world around them from a different perspective. They encourage critical thinking and adaptability, enabling students to connect theoretical concepts with real-life experiences. Grade 1 students were taken on a Field trip to Planetarium on 16.06.23 and Grade were

FIELD TRIP

GRADE III TO V 26th, 27th & 30th June

Field Trip plays a vital role in the school curriculum, which serves a wide range of benefits in several ways including learning and teaching. One of them is that they help students to learn through authentic experience and interesting ways to explore new things for both the learners and teachers. This is the reason why students should be encouraged to engage in field trips which are significant for students. In terms of education, students have ample opportunity to witness new things, learn about new environments at their own pace and immerse themselves in an authentic experience, without having to the anxiety of homework, exams or tests. Thus students of upper primary are taken to Parle Agro Foods, Crocodile Bank and Shell museum.

NO TO PLASTIC

GRADE III TO V 23.06.2023

Plastic bags are one of the most commonly used things today. It makes our work easier and gives us a lot of convenience. They have formed an essential part of our lives now. We use them almost every day for various purposes. The usage is to the extent that we often get angry at the shopkeeper who refuses to offer us the plastic bag. It becomes daunting to carry our own bag every time. The shopkeeper's refusal is due to the government ban on plastic bags. One often wonders why? Plastic bags make our lives easier but at what cost? They damage our earth and environment. It is high time we all stop using plastic bags. To create awareness among the young minds No To Plastic program was conducted and the students were taught to use alternative to plastics.

GRADE III TO V 28.06.2023

The most important aspect of the painting is that it does not depict mythological characters or images of deities, but social life. Pictures of human beings and animals along with scenes from daily life are created in a loose rhythmic pattern. Why is Warli art important? These paintings are mainly done to represent a sense of togetherness. Warli Art revolves around the mother nature by giving more importance to nature and wildlife. Their art form symbolizes the balance of the universe. Themes of WARLI The themes symbolise the nature-cultural relationship, social relationship, material culture, religious symbols, dance forms, marriage practises, family life, hunting games, deities, etc.

Students are introduced to an ancient ART FORM called ' WARLI ART' . Warli is the vivid expression of daily and social events of the Warli tribe of Maharashtra, used by them to embellish the walls village houses.

INVESTITURE CEREMONY 30.06.2023

"Leadership is action, not position"

SAN ACADEMY truly believes in holistic development of the students and provides various opportunities to the students beyond academics. Becoming a student leader is one such opportunity.

Every year the school provides a platform to the students to contest in the elections. This helps to instill qualities such as responsibility, becoming a good team player and developing administrative skills among others and makes them ready for a better tomorrow.

SAN Academy Tambaram, has organized an Investiture ceremony for the AY 2023-24 on 30.06.2023. Investiture ceremony is the first major event conducted at the beginning of the AY, where elected student leaders are honored with their titles.
